# Magical Medieval Madness!

That's right!  
This party  
promises to be  
the craziest  
we've had for  
ages... Since  
the **Middle**  
Ages, in fact!

**Party  
starts 19th  
September!**

I bet you're  
puzzling over  
how this party  
came about? It  
was all thanks to  
a magnificently  
**magic potion  
book** that Captain  
Rockhopper  
transported to  
Club Penguin!

It was penned by a prodigious  
penguin who disappeared  
hundreds of years ago! She  
was called **Garianna!**

Turn to page 14 to find out more  
about Garianna!

With the help of this book,  
I have deciphered several  
simple spells. Now I need  
**YOUR HELP!** That's where this  
**Wizard's School** comes in...

First you'll need to help me collect potions. Starting NOW! Look through the magazine and try to find all of these potions, ticking them off as you go!

Secondly, you've got to mix the potions correctly for the spells to work. As you improve, you'll be able to transform into **amazing creatures!** Get it wrong, and the hypothesis could be horrendous!

I've always dreamed of what it would be like to be an **EPIC DRAGON**. If only I could decipher the spell and find the ingredients...

# JACK and the GIANT PUFFLE!

Do you dare to climb the beanstalk and challenge the puffle giant?

Jack had no coins to buy stuff. So he went to the Town to sell his cow...

What have I done to deserve this?  
**Moo.**

## Challenge 1

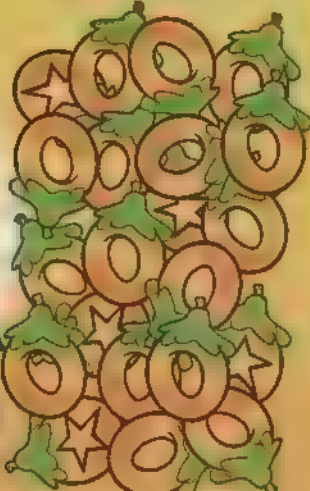

Lead your cow to the Town.

A strange old penguin offered Jack 5 magic O'Berries in exchange for his cow.

## Challenge 2

Can you spot 5 magic O'Berries amongst the normal ones?

Jack returned home and planted the O'berries. The next morning, he found five giant beanstalks!

## Challenge 3

A B C D E

Climb the beanstalk that takes you into the clouds.

At the top  
of the  
beanstalk,  
Jack found  
a castle full  
of treasure!

## Challenge 4

Can you grab 10 golden eggs in  
the giant puffle's chamber?

Oops! Jack  
was too loud  
and the giant  
puffle woke  
up angrily!

## Challenge 5

Draw a toy to distract the  
puffle so you can escape.

Jack escaped  
but the puffle  
started  
chasing him  
down the  
beanstalk!

## Challenge 6

Can you find  
something sharp in  
Jack's igloo to cut  
the beanstalks?

## GARIANNA

**CP Mag:** So, Garianna! First question: how is it possible we are talking right now? You being long lost, and all...

**Garianna:** Let's just say my magic works in mysterious ways...

**"... I once knew a pirate, many moons ago..."**

**CP Mag:** We're all really excited that Captain Rockhopper found your spell book. He said it was locked inside a pirate chest on a faraway island.

**G:** I once knew a pirate, many moons ago. He loved to tell stories.

**CP Mag:** So what's the most powerful spell you've ever created?

**G:** There is a spell that can transform a penguin into the ULTIMATE MEGA DRAGON... but it requires great skill and knowledge. Many penguins will try, but many will fail...

**CP Mag:** Uh, what happens when they fail?

**G:** I will answer you with a riddle. How do you keep a penguin in suspense?

**CP Mag:** I don't know.

**G:** I will tell you later.

**CP Mag:** Hey that's not fair!

**G:** Tee-hee, be patient! Knowledge learned is knowledge gained. Only by making mistakes along the way, will you master magic.

**CP Mag:** OK, great! I better go start searching for potions.

**G:** Good luck, young spellcaster. And remember - my book is powerful. Do not let it fall into the wrong hands!

### 5 THINGS YOU DIDN'T KNOW ABOUT GARIANNA

1. Garianna could be Gary's great, great aunt
2. She went missing many centuries ago
3. She loved riddles
4. She was a master of magic potions
5. Her wand is made from witch hazel

# Rookiepedia

Join your favourite funny penguin on his alphabetical adventure!

L is a lovely letter, lol!

# L

is for...

## Laptop

Wouldn't it be cool if there was a computer game you could play that lets you waddle around in a virtual Club Penguin island? Maybe I should make it. I'll call it... Rookieworld!

## Laser Lights

No igloo party is complete without some Laser Lights. And don't worry - they're not real y lasers. Only EPF agents get real lasers. I've still got my training laser. Well, it's more of a water pistol.

## Laughing

Penguins do it ALL THE TIME. Especially when I'm around. You can laugh by using emotes or by writing LOL or ROLFZ. In the olden days penguins used to say ha-ha. Weird, huh?

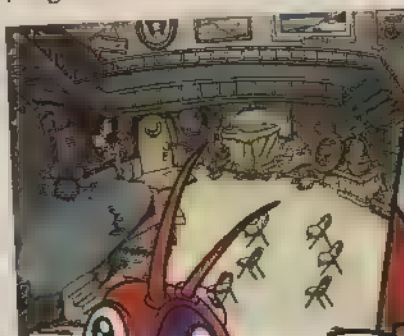

## Lava Pool

Take it from me - this is NOT a hot tub. Ouch. But it is GREAT for frying squid until it's crisp and crunchy.

## Lighthouse

This is a sort of house with a light on top, so Lighthouse is actually a perfect name. If you like music it's a great place to jam with other penguins. Mmmm... Jam.

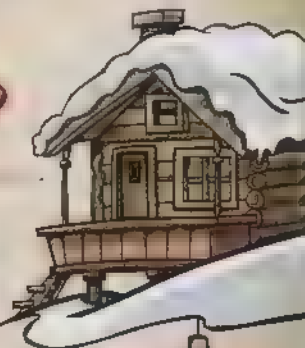

## Lobster costume

If you want to look cool or mysterious or sporty, this outfit is no good. But if you want to look like a big red lobster, I'd say it's perfect.

## Lodge

In the Ski Lodge lives a bird called Fred. Hang around for a while and he will show up. You can set your watch by him.

## Logs

Very useful things. They can be made into simple furniture like chairs. Or they can be made to stop a sled very quickly.

## Lolz

Cadence called her puffle Lolz because she makes her laugh. If I had a puffle I would call it Sneezie, 'cos I'm allerg'c to peanuts.
